

ImagePerfect™ 2320 Artistic Fine Art Canvas

DESCRIPTION

ImagePerfect 2320 Artistic Fine Art Canvas from Gerber Technology is a canvas textile which creates the real look and feel of artistic/painting reproductions. It is especially designed for the presentation of artworks and photos as full color reproductions, where the structure of the fabric is very pronounced and decorative. IP 2320 offers a high print quality with remarkable text definition and a large color gamut to ensure colorful images and vibrant area in-fills. Therefore, common uses include reproductions of fine art paintings, textile walls, textile billboards and posters and exhibition panels. It can also be used as a display product fixed in a banner track system. It has been specially formulated for digital printing on large-format inkjet printers and is suitable for printing with eco solvent, solvent, UV-cured, and latex inks.
